Dear Jenny and Rotary Club of Northlakes Toukley,

THANK YOU

On behalf of Ronald McDonald House Northern NSW, thank you for your donation to the Ronald McDonald Family Room at Gosford Hospital, from money raised at the Northlakes Toukley Rotary 2015 Charity Golf Day. We were so delighted to be involved in this wonderful event in 2015 and thankful that you will again be supporting us at this event in 2016.

Jenny, you and your club are absolute assets to us and we are so thankful to have you on mission with us. Your generous donation makes it possible for us to keep our doors open and provide this valuable service for families when they are going through a challenging time with a sick child in Gosford Hospital.

Life on a day to day basis changes dramatically when your child is in hospital, yet it is the comfort and security of day to day life and a normal routine that helps our families cope. Through your support, you enable us to work towards providing that 'normal' life for families who are currently dealing with having a sick or unwell child in Gosford hospital.

*'My son was only in over night, but we loved being able to eat together as a family, have our visitors in for a cuppa where the kids could play and most importantly for me to have a clean, hot shower and a cup of tea after sleeping the night with my son. Thank you so much!' Glenys D - Family Room visitor 2015*

For Central Coast families the Ronald McDonald Family Room at Gosford Hospital provides families with a place to go when going home. Since opening our doors officially in May 2013 over 22,000 people have walked through the doors and this year alone there has been over 12,500 people walk through the doors in need of a break.

Thank you so very much for your ongoing kindness, support and generosity. This events assist support us financially but also give us an opportunity to create more community awareness about who we are and what we do, Thank You. Believe me when I honestly say we couldn't do what we do without the support we have from you and the local community.

We wish you, your family and fellow Rotarians and their families a safe and joyous Christmas Season and look forward to working with you again in 2016.

Yours sincerely,

Kami Dibden
